

## MEDIA RELEASE

July 17, 2009

A new walking tour launches this week that will guide guests through the region's newest attraction. Thanks to the KEYS Summer Jobs for Youth Program and sponsorship by the Rotary Club of Kingston, three high school students have created a unique tour through the Wolfe Island Wind Farm.

The kick-off takes place Monday July 20, 2009 beginning at 11:00am. The tours run Monday-Friday until August 28<sup>th</sup>, departing from the Kingston Tourist Information Centre at Confederation Basin. Visitors will proceed to the Wolfe Island ferry before participating in the tour; a close up view and informed explanation of the 86 wind turbines that now dot the landscape.

The students – Liam, Matt and Justin – are looking forward to the weeks ahead and being able to offer a fun and FREE tour for all ages.
