

## Canada's Championship Location...

"Tourism Kingston's staff was integral for our very successful 2007 OFSAA Girls AA Volleyball Championships hosted at the Kingston Military Community Sports Centre. For the first time more than 200 OFSAA student/athletes on 20 teams competed under one roof. People are still talking about how Kingston can put on a show!!"

**Dale Huddleston**  
OFSAA/EOSSAA, Executive

"Hospitality, charm and the historic ambiance of the entire area will have many of our people returning for vacations in the future. It is a wonderful environment for future national and international events, with the new facilities, as well as the city being the historic birthplace of our national game."
